

## Capoeira Brasil San Diego Presents

# CAPOEIRA KIDS SUMMER CAMP

July 27, 2009 – July 31, 2009

Come join us for a week of Brazilian summer fun! Learn Maculele, a stick fight-dance created by slaves working on sugarcane plantations, dance the Samba, an energetic dance performed wearing costumes of feathers and beads, and play Capoeira, a physical art form combining martial arts, acrobatic movements, dance and music. We will be making our own instruments, designing our own costumes, and choreographing our movements for a very special show at the end of the week. Students will be divided for activities by age. All materials for instruments and costumes will be provided. Please send a healthy snack and lunch daily.
